

# CAMS HALL

---

*Fareham, Hampshire*

**Your wedding venue**

## Exclusively yours

### Unstintingly restored

With just one wedding a weekend, you will have time to relax as this 300-year-old listed mansion becomes exclusively yours.

The beautiful mansion, unstintingly restored to its original Georgian splendour, is perfect for up to 60 guests. It offers magnificent backdrops for those all-important photos. The elegant interior, with its fine furnishings, is equally stunning.

Drinks after the ceremony may be held in a spacious ground-floor room opening onto lawns.

The parkland setting overlooking Portsmouth Harbour means tranquillity, as well as ample space for guests to park and stretch their legs – all just two minutes from M27 (J11).

## Exquisite Oval Room

### Perfect for the discerning couple

Cams Hall is perfect for the discerning couple wishing to avoid the hustle and bustle of a public building.

Thanks to the ingenuity of its architect, Jacob Leroux, the Hall creates an abiding memory. As your guests approach via the long, private drive their first impression will be of the Portland Stone frontage as it appears to rise from the ground in greeting.

Plentiful parking in the grounds means there is nothing to delay them from passing inside to the chandeliered entrance hall and up the sweeping marble staircase that leads to the exquisite Adam-style Oval Room where your ceremony will take place.

Civil Ceremony for up to 60 guests.

## Travel details

Excellent location for easy access by guests from near and far. Cams Hall is close to the M27 at J11, convenient for the national motorway network, ferries, national and international airports. Fareham's mainline rail station is just a short taxi ride away.
