

CAMS HALL

Fareham, Hampshire

Civil Weddings at Cams Hall

Whether your wedding ceremony is to be traditional or modern, the timeless elegance of Cams Hall makes the perfect location.

Our 300-year-old Grade II listed mansion, sited amid parkland overlooking Portsmouth Harbour, has been unstintingly restored to its original Georgian splendour. It is also licensed for a select number of weddings on Saturdays and Sundays throughout the year.

Thanks to the ingenuity of the original architect, Jacob Leroux, Cams Hall creates a stunning first impression. As your guests approach via the long, private drive, their first glimpse will be of the Portland Stone frontage as it appears to rise from the ground in greeting. Passing inside, the chandeliered entrance hall, sweeping marble staircase and exquisite Adam-style Oval Room, where your ceremony will take place, will provide the setting for your most treasured memories.

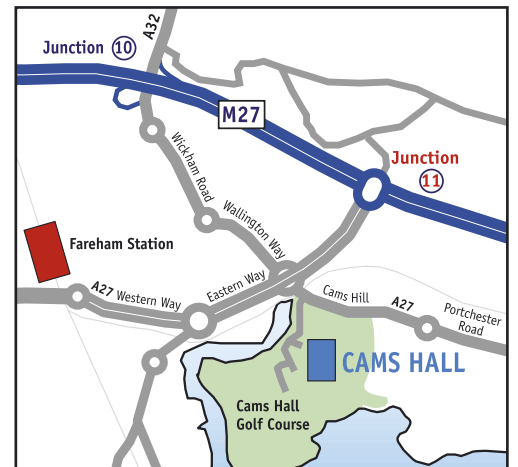

Cams Hall is perfect for the discerning couple wishing to avoid the hustle and bustle of a public building.

The Oval room accommodates up to 60 guests. The use of the house may be extended with a marquee in the grounds for receptions.

Cams Hall is so easy to get to:

- Excellently located for easy access by guests from near and far
- Plentiful private parking on-site
- Close to the M27 at J11 and Fareham's mainline rail station
- Fast motorway links to ferry ports, regional and international airports
